Dear Reverend Hesburgh:

I am enclosing copies of six unclassified Agency publications that I hope will interest you. As you can see, our studies cover a wide range of topics. Please let me know if there is any subject that is of particular interest to you. I will make sure that you receive all unclassified publications on that subject.

I certainly enjoyed meeting you on 15 February and being able to help acquaint you with the Central Intelligence Agency. I am looking forward to meeting with you again in the future.

Sincerely,

STATINTL
